

Women's Fund Friends

After careful consideration and in line with our commitment to innovation and growth, we have decided not to hold our yearly luncheon in 2024. Instead, we are excited to announce that we will be pivoting and trying something new this year!

We believe that this change will allow us to explore fresh ideas and create an even more engaging and meaningful experience for all attendees. As we embark on this new journey, we kindly ask for your support and understanding.

Please keep a lookout for further updates as we finalize our plans and unveil the details of our new event format. We are confident that it will be an exciting opportunity for all of us to come together in a different yet equally memorable way.

Thank you for your continued support and participation. For questions or concerns, please contact the Stateline Community Foundation office.

Thank You - Women's Fund Board
