

Looking back on 2025, one thing stands out: your support truly makes a difference. Through your generosity, women and girls in the Stateline area experienced a year full of compassion, connection, and lasting impact.

Here's how your gifts helped:

- **Caritas, Inc.** (\$4,500): Women facing financial hardship received essential hygiene and personal care items, helping maintain health, dignity, and daily stability.
- **Stateline Boys & Girls Clubs** (\$3,000): Young women connected with professional mentors while exploring career possibilities, strengthening leadership skills, and building confidence in their future.
- **Stateline Community Foundation's Literacy for Life** (\$4,500): Brought Read, Talk, Play While You Wait stations to labor and delivery and community health settings, giving families fun and easy ways to support their child's early brain development.
- **Stateline Literacy Council** (\$4,000): Women continued their GED studies at home with laptops, training, and childcare, gaining tech skills that support stable employment for themselves and their families.
- **YWCA Rock County** (4,000): Residents stayed safer with updated lifesaving equipment and trained staff, giving families peace of mind that emergencies are handled quickly and confidently.

These successes are possible because of you. Every grant we give invests in women and girls as leaders, changemakers, and vital voices in our community.

The Women's Fund of the Stateline Community Foundation meets critical needs and supports programs that transform lives. That mission continues in 2026, and we need your help.

Your gift today ensures this important work continues. Every dollar matters—because when women thrive, our entire community prospers. We also invite you to join us at our upcoming Spring Luncheon on Friday, May 29. Your invitation is enclosed.

Warm Regards,
